Swinging Squirrel Target

A squirrel themed rocking target for rifles. Some basic assembly is required. If a pellet hits the squirrel, the entire target will rock and eventually come back to rest. If you hit either of the yellow targets, they will swing and eventually rest back into position as shown in the images.

Size: 22 x 24 x 22cm

Code: GA-TARGET-SWING-SQUIRREL

RRP £19.95

Swinging Zombie Target

A zombie themed rocking target for rifles. Some basic assembly is required. If a pellet hits the zombie, the entire target will rock and eventually come back to rest. If you hit either of the yellow targets, they will swing and eventually rest back into position as shown in the images.

Size: 24 x 24 x 22cm

Code: GA-TARGET-SWING-ZOMB

RRP £19.95

Multi Target Shooter's Tower

A multi target tower for rifles. Some basic assembly required. The top section can hold paper targets which are easily lifted in and out of the holder. On the sides are a rat at the top, a pig and a warthog. Hitting one of these will result in the target swinging backwards and causing the other animal target to appear on the other side. This then allows for the target to be constantly used without having to go to it to reset it.

Size: 34 x 16 x 64cm

Code: GA-TARGET-TOWER-01
